1. Unauthorized Possession of Firearms

The USPO was informed by Mr. Michael, Agent, Division of Alcohol, Tobacco and Firearms with the U.S. Treasury Dept., that his office obtained a Federal warrant for Manson's arrest and is seeking to take Charles Milles Manson into custody. Agent Michael stated that his investigation disclosed that in July, 1969 Manson used false information in completing U.S. Treasury Forms # 4473 to purchase firearms in Van Nuys, California from the Surplus Distributing Company. It is alleged that on or about 7-2-69, Manson purchased a short barreled rifle and on or about 7-14-69 purchased a nine millimeter handgun. Manson did not have authorization to purchase or own any type of firearm and by purchase of same violated a condition of his release.

2. Falsifying Supervision Reports

The USPO's last report from Manson was received on 9-2-69 and his report for August was dated 8-27-69. He reported still working for his room and board at Spahn's Movie Ranch, 12000 Santa Susana Pass Road, Chatsworth, Calif. On 9-19-69 the USPO personally visited Spahn's Movie Ranch and learned that Manson was not living at the ranch any longer and had not been there since on or about 8-16-69.
